Transforming Outdoor Spaces

Congratulations on your outdoor furniture selection.

All our product are manufactured from decay resistant wood and are specifically designed for year-round outdoor applications. All our products ship un-assembled in a carton with easy-to-follow assembly instructions inside package and are able to be ship anywhere in North America.

All our products are pre-treated to make the surface durable enough for outdoor use. The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly with a soft cloth dampened in water and a mild soapy solution, then wipe dry with a clean and dry cloth.
